Holman Bible Dictionary

Having just finished four years of seminary, I found the Holman Bible Dictionary to be invaluable. Often, I needed some source verse, or a specialized meaning for a Bible term, and Holman had it at my fingertips. Everything from Aaron to Zuzite plus a wealth of other information including maps, photographs, and illustrations rounds out a first rate reference for the seminarian, pastor, lay person, or even crossword puzzler! I can not do without Holman as a constant source for facts, ideas, and verse citations. I recommend this book highly as the first one to serve as the foundation for your personal library.

This little gem has more than meets the eye. Granted, it is a conservative (but not lacking in information) approach, but avoids the liberal academic pitfalls so often found in their literature (critical analysis etc). This is a user friendly book, thick in size and content is generous. Most of all it comes across trustworthy and reliable, not full of conjecture. A quiet authoritative spiritual treatment without the heavy-handness to go with it. I have used one for years after using many others of the same genre and I prefer Holman's for overall satisfaction after reading it.

Exactly what I was looking for. I needed a bible dictionary to aid my bible study. This book fits my needs. It is in great condition. It is exactly as described by the seller.

I got this for my grandson, but it came to my house first and I was very tempted to keep it for myself, but am just going to get myself one. It not only give just the meaning of words but the history behind them. I love it and highly recommend it to anyone seeking a higher understanding of God's holy word.

This is exactly what my friend wanted and he is happy with it! TKS!

If your studying the Bible this will be a great tool

The book is very confusing. It takes way to long to find what your're looking for if it is something specific.

This dictionary was a gift to a friend and arrived in excellent condition. I am very pleased with the purchase. Arrived before the expected time. Thank you
