# Die Meistersinger Von Nürnberg In Full Score (Dover Music Scores)

## Synopsis

This beloved operatic work combines profound emotion and great comedy to tell the tale of a young knight and his struggle to become a Mastersinger. Wagner's only comedy, for which he wrote both the words and the music, offers an extraordinarily adept coupling of libretto and musical score. This Dover edition is a reprint of an authoritative and accessible German score from the turn of the twentieth century. It contains the vocal parts as well as the full orchestral score for the three-act opera. English translations cover the introduction and cast lists; the rest of the text is in the original German. Durable but inexpensive, this edition features a sturdy binding that allows pages to remain open on music stands for years of use and enjoyment.

## Book Information

Series: Dover Music Scores

Paperback: 832 pages

Publisher: Dover Publications; Reprint edition (October 16, 2009)

Language: English

ISBN-10: 048623276X

ISBN-13: 978-0486232768

Product Dimensions: 8.2 x 1.8 x 10.9 inches

Shipping Weight: 3.8 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 4 customer reviews

## Customer Reviews

This is the complete orchestral and vocal score of Richard Wagner's magnificent work, an opera which combines profound emotion and great moments of comedy with wonderful, accessible music. A reproduction of a now out-of-copyright turn-of-the-century score from a German publisher, it has English translations of the introduction and cast list -- but English translations nowhere else. This is likely to be too bulky for singers, for whom standard piano-vocal scores will be more useful, but it's an invaluable tool for the student or enthusiast.

Along with Die Walkure, I ordered Die Meistersinger to give me a even greater look into German

opera. I was extremely impressed with the outcome even though I had been told by many people that it was 'heavy' and I should avoid Wagner at all costs. I won't get into the nitty-gritty stuff of comedy/tragedy but in comparison to *Die Walkure*, it's much lighter and quite funny especially when one character (Beckmesser) happens to steal a song written by someone else and on delivering, messes it all up and makes a fool of himself. The themes continue to come back at every opportunity and the whole thing links together as one. Of course Wagner likes his big, fat scores - this one comes in just over 800 pages and the other Dover scores, it opens flat (or reasonably) and doesn't damage the spine, i.e. no creases. Text is all in German apart from a translation of the contents, characters and orchestration so unless you've mastered the German language, get your hands on a German or music dictionary. See through is minimal. \$30 is a very good bargain for such a big score.

Very good condition....prompt shipping...great value.

I am a long-time devotee to *Die Meistersinger* (which is one of my favorite operas of all time), and have owned this score for over ten years. It is now well worn and the spine has a couple of weak places, but it still holds together quite well--as do all of Dover's well-bound books. This edition has nice, readable engraving--though the rather small dimensions of the page make everything somewhat crowded. Also the sheer thickness of the score makes the book somewhat unwieldy, but considering the price of other editions, this is a steal at Dover's price! As for the work itself, if you set aside all the nit-picking about new vs. old musical styles (which is implicit in the plot, don't get me wrong) and just listen to the music, I don't see how you can fail to enjoy this opera. It is very long, true--but that's Wagner. The plot is one of the merriest of Wagner's whole output, and the music is joyful in like measure. For sheer beauty, my favorite moment in the opera is the quintet in Act III, scene IV, but Walther's prize song ("*Morgenlicht Leuchtend*"), "*Am stillen Herd*" and the Prelude to Act I are all close runners up. In addition, being able to study Wagner's masterful orchestration--or look at the sheer number of individual vocal lines in the street fight at the end of Act II--is reason enough to buy this edition.

Wagner's only comedy (if you don't count *Das Liebesverbot*, based on Shakespeare's rather difficult *Measure for Measure*), is basically an initiation ritual. Walther von Stoltzing is in love with a young woman named Eva. He must prove his love by composing a song for the Mastersinger festival; if he wins the competition, he wins Eva. *Meistersinger* is also a treatise on why Wagnerism is better than

the old (read Brahmsian) style of composition. Hans Sach, Walther's sponsor, insists that Walther's first improvised song, Am Stillen Herd, even with its weaknesses, shows much promise. Sixtus Beckmesser, on the other hand, insists that it does not adhere to the classical virtues, and, therefore is unworthy of any attention. The contest enjoins all its competitors to set the poem Morgenlich luectend im Rosigemshind to music. Beckmesser's version is sludge, and he makes a fool of himself singing it. Walther's song, on the other hand, wins both the contest, and Eva. As an argument, Meistersinger is pretty flimsy stuff; Brahms is no Beckmesser. Yet as music drama, Meistersinger is remarkable. Dover reprinted the early Peters edition. There is an English translation of all German frontismatter; unfortunately, however, there is no English glossary of German musical terms. There is a reprint of the original title page, which is kind of fun. The score is too big, and the book too small for podium use, but the book is well made, easy to read, quite reasonably priced, and ideal for the average opera lover.
