# Lighthouses Of Eastern Michigan (Images Of America)

## Synopsis

From the Straits of Mackinac to the Detroit River, *Images of America: Lighthouses of Eastern Michigan* reveals intriguing stories of lighthouses and the people who depended on them. Readers will enjoy discovering what happened when a large ship fell 20 feet over one of the Soo Locks and the captain commented, "Good-bye Old World," as well as of a persistent ghost that caused havoc with the Coast Guard. Which lighthouse was a construction miracle in 1874? And whatever happened to the lost lighthouses of the Detroit River? A collection of the mysteries, storms, fires, and heroics surrounding the lighthouses of eastern Michigan are waiting within.

## Customer Reviews

It's essentially a picture book for adults -- little in the way of text to speak of. But, honestly, that's not why you read these. You don't read them for stories of how lighthouses were built or ships crashed or whatever -- you read it for the pictures. And that's what it had.

Great book
