Journey Through Vienna (Journey Through Series)

Synopsis

Vivacious elegance, traditional congeniality, innumerable museums of world-wide fame, and architectural styles from Gothic and Jugendstil to contemporary buildings—all of these elements are presented in this guide, showcasing Vienna as a world-famous metropolis on the Danube. The music and art of the Viennese way of life are explored, as well as the informal conjunction of history and the present—for example, St. Stephen's Cathedral being reflected in the modern glass facade of the Haas House. The city's many endearing special features are depicted, such as the traditional coffee houses and the unique Spanish Riding School, making Vienna an unforgettable experience. Additional features review the famous Viennese waltz and the institution of the Eastern-Austrian wine tavern.

Book Information

Series: Journey Through series

Hardcover: 136 pages

Publisher: Verlagshaus Wurzburg (October 1, 2011)

Language: English

ISBN-10: 3800340313

Customer Reviews

János Kalmár is a freelance photographer who lives and works in Vienna. He is the photographer of numerous illustrated books and he specializes in city portraits, landscapes, and topics of cultural and historical relevance. Dodo Kresse is a journalist and the author of several titles on her home city of Vienna. She has written several reference books and novels and has contributed to various newspapers and magazines.

Just what I wanted thanks

Very educational!

The book is a good overview of Vienna. It has a wide variety of photos, including buildings, people, and food. The photos range in size from 4 photos to a page up to 1 photo that spans across 2 pages. The photo quality is above average. Each photo has a description of a few sentences. Overall the book is about 75% photos and about 25% text. Having seen a number of photo books about Vienna, this is definitely one of the better ones.
