Dog Page-A-Day Gallery Calendar 2017

Synopsis

A year of exquisitely detailed canine photographsâ€”in both black and white and colorâ€”for the dog loverâ€™s desktop. A gorgeous Golden Retriever surrounded by brilliant fall leaves. A close-up portrait of a wrinkly Shar-Pei. A Dalmatian posing on a red blanket, answering the age-old riddle â€œWhatâ€™s black and white and red all over?â€• Plus the alert expression of a Jack Russell, an elegant Afghan, and a plethora of adorable mutts. Each irresistible image shines with its subjectâ€™s personality and soul.

Love the Page-A-Day calendars and the gallery ones have such high quality photos. I give these as gifts each year and my friends love them.

I've either ordered one of these calendars (or, the cat version) from or found one locally for maybe 7-8 years now. They're such a great addition to my office at work. People always comment on "today's dog". Much higher quality than the average desk calendar where you tear each day off.

Nice photos. The calendar is kinda large for sitting on a desk, and I don't like the double sides for dates. Okay for one year but I won't buy this again.

I've been purchasing these yearly and get so much enjoyment from them. Starting in July I pull my favorite pages and hang them on my cubicle wall. Must have for any dog lover!

I purchase this calendar yearly for my sister at Christmas. Beautiful pictures each day and many times there is a mini bio of the dog on display. Great for dog lovers! I also have two of my pets shown on this calendar from previous years! How great is that!

Best dang daily calendar i've ever bought. Wish they had more info about the dogs. But the pictures are phenomenal Great job! Have the bird one as well....just as good

We buy this every year because it's the only larger page-a-day, upright calendar with pups. Not crazy about many of the pics but that goes to preference. Main complaint is that there is a quote or information on each page that is not reader-friendly and doesn't always tell you what kind of dog is in the photo (i.e. if mixed breed, say mixed breed; if purebred, say what it is), but again that's a preference thing. Also it's pricey for what you get. Wish they had some competition.

These dogs are photographed in more dignified ways than the 365 days of dogs calendar, and the photography is beautiful. I get this calendar every year and love it.
