The Official Parent's Sourcebook On Dandy-Walker Syndrome: A Revised And Updated Directory For The Internet Age

Synopsis

This book has been created for parents who have decided to make education and research an integral part of the treatment process. Although it also gives information useful to doctors, caregivers and other health professionals, it tells parents where and how to look for information covering virtually all topics related to dandy-walker syndrome (also Dandy-Walker cyst; Dandy-Walker deformity; Dandy-Walker type internal hydrocephalus; Dandy-Walker type noncommunicating hydrocephalus; Luschka-Magendie foramina atresia), from the essentials to the most advanced areas of research. The title of this book includes the word official. This reflects the fact that the sourcebook draws from public, academic, government, and peer-reviewed research. Selected readings from various agencies are reproduced to give you some of the latest official information available to date on dandy-walker syndrome. Given parents' increasing sophistication in using the Internet, abundant references to reliable Internet-based resources are provided throughout this sourcebook. Where possible, guidance is provided on how to obtain free-of-charge, primary research results as well as more detailed information via the Internet. E-book and electronic versions of this sourcebook are fully interactive with each of the Internet sites mentioned (clicking on a hyperlink automatically opens your browser to the site indicated). Hard-copy users of this sourcebook can type cited Web addresses directly into their browsers to obtain access to the corresponding sites. In addition to extensive references accessible via the Internet, chapters include glossaries of technical or uncommon terms.

Book Information

Paperback: 144 pages

Publisher: ICON Health Publications; Revised edition (November 24, 2003)

Language: English

ISBN-10: 0597836760

Though many physicians and public officials had thought that the emergence of the Internet would do much to assist patients in obtaining reliable information, in March 2001 the National Institutes of Health issued the following warning: "The number of Web sites offering" health-related resources grows every day. Many sites provide valuable information, while others may have information that is unreliable or misleading." Since the late 1990s, physicians have seen a general increase in patient Internet usage rates. Patients frequently enter their doctor's offices with printed Web pages of home remedies in the guise of latest medical research. This scenario is so common that doctors often spend more time dispelling misleading information than guiding patients through sound therapies. ... This book has been created for patients who have decided to make education and research an integral part of the treatment process. ... While this sourcebook covers dandy-walker syndrome, your doctor, research publications, and specialists may refer to your condition using a variety of terms. Therefore, you should understand that dandy-walker syndrome is often considered a synonym or a condition closely related to the following: Dandy-Walker cyst; Dandy-Walker

deformity; Dandy-Walker type internal hydrocephalus; Dandy-Walker type noncommunicating hydrocephalus; Luschka-Magendie foramina atresia.
