## Customer Reviews

This book is Very interesting for people who like sports! This Book Is one of the most interesting books i ever read

All of the Baker Street stories are very good if you are into Children's Christian stories. They never

concentrate too much on the religious side, but enough to leave an impact. The sports story will draw the kids in, and then, will teach an important Christian lesson each time. I read them as a kid and always loved them and wish I had never sold them. This one in particular is about a football team the Baker kids play that never makes any sounds when they play. So, they have to figure out how to play against a team that makes no signals on offense to let them know when the ball is hiked.

I do not know how good this product is because I sent it to our grandson in China, but have not heard anything negative, so assume it is okay. The book came in time for me to send it to China for Christmas so I was very pleased with the service.
