Nurses 2016 Day-to-Day Calendar: Jokes, Quotes, And Anecdotes

Synopsis

Nurses know to expect the unexpected. After all, the term "typical day" seldom applies. On the action-packed front lines of patient care, nurses see and hear some downright peculiar stuff--all the while maintaining composure and administering comfort. The Nurses 2016 Calendar rewards nurses with a daily, well-deserved mental-health break, each page greeting them with a joke, quote, or anecdote that's sure to make them smile.

I gave this to my nurse manager for christmas and she loves it. She commented the other day that she reads her daily joke and it makes the day.

Want to add some humor to your nursing life? Love this day to day calendar and the messages for each day!

Every year my mother and I exchange this particular calendar as we are both nurses. It's our

tradition for the last 7 years. The daily things are usually humorous. They have started putting puzzles(sudoku etc) on the back as an added bonus.

Great little gift given to a friend who is an RN. She plans to take it to work and place it on the shared nurses' desk so that everyone who sits at the desk can view it and get a chuckle.

I thoroughly enjoyed this book. A few surprises I didn't expect. Couldn't wait for the end, the suspense was killing me. I would definitely recommend this book.

Niece just graduated. This was a gift. She called me and said how much she loves it. Very funny.

Funnier than I expected. Some of the jokes are PG-13.

Gave as a gift-so funny!
