Bad Debt Book 1: Reluctant Gay BDSM (Bad Debt - Reluctant Gay BDSM)

Synopsis

An Unconventional Loan Shark Is Kevin's Last Hope To Save His Brother From A Ruthless Drug Dealer, But The Terms Of The Deal Require A Form Of Payment That Will Push Kevin To His Limits And Beyond! Kevin's drug addicted brother is \$10,000 in the hole to a vicious drug dealer. Desperate to save his brother from a horrible fate at the dealer's hands, Kevin approaches an unconventional loan shark to get the money. He knew that the money would come at a high cost, but he never expected that it would mean submitting to gay sexual acts in the event he couldn't make the payments - and he certainly didn't expect that he'd be so aroused by it! This book contains explicit depictions of sexuality between consenting adults, including dubcon/reluctant gay sex, domination and submission, oral sex/fellatio, male public nudity and erotic humiliation. It is intended for adult audiences only.

Customer Reviews

This book is definitely going in my reread pile, as I look forward to each new installment of this series. I'll admit I'm not one for series, UNLESS the first book comes with a punch and this one is

definitely kinky and dirty and not for the faint of heart. If you're looking for something new and exciting, then look no further as Kervin Straits delivers it.

Love reading stuff like these. Can't wait for book two.

This certainly isn't for the faint at heart. If you're looking for down low and dirty, you'll find it in this story.
