Picture shows big time comics. Spiderman, Hulk, fantastic four....you know, the stuff you have heard of. What came was anything but. I'm talking about comics you've never heard of in your life. Not one single "big name" comic book. Not one. I sent them all back.

Excellent mix of comics at a great price. Not one duplicate! Sure to find something for everyone in this mix. As a collector, I can say I was very happy to open the box, and even happier to see the selections. Great gift idea! I just ordered two more myself! Mine are clean and have no musty smells that some of these older lots contain. Well cared for, and well worth what I paid!

I got a lot of marvel and DC including a gorgeous Infinity Crusade #1, however I only got 1 bagged, and I got at least 10 that were dupes. And I got one that was basically a magazine. it was really weird that I didn't get a single batman issue. I figured I'd get a few for sure. Overall, would recommend, but know you'll get dupes.

Lots of random comics and many aren't for "all ages". I bought for my 9 year old and he can really only get about half of them.

Mixed bag of comics, some great, some not so great.

This was an outstanding way to start my son on the road of comic collecting. I ordered 2 lots and both contained a few gems. My son was so excited about them. I limit the amount of time he can play video games during the week and since I gave him these comics he hasn't even asked to play any video games!

Exactly as described. Nothing special. Good for a starter collection, general readers or an art project.

2 stars...there were 50 comics but not all were in good condition. Almost all were off brand and not know comics. Wouldn't order again unless I had reassurance or quality.
