Questions & Answers: Property

Synopsis

Understand better what you're learning in Property class and prepare effectively for exams by applying concepts as you learn them. This study guide includes 170 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 50 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Nagle provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less, and each question has a thoughtful, comprehensive, yet brief model answer.

Customer Reviews

Absolutely hate this book. Questions that are suppose to be restricted to a particular topic suddenly has topics outside of it interjected into the questions and answers Yes, some of the right answers are those outside the topics you are specifically studying.

I like it

I was not aware that this is a digital copy and would like to have my money returned so i can purchase the actual paper copy.

Great Seller/Great Product!
