100 Things Orioles Fans Should Know & Do Before They Die (100 Things...Fans Should Know)

Synopsis

This guide to all things Baltimore Oriole covers the team's history as one of the American League's eight charter franchises, including the incredible legacy of Cal Ripken, Jr., memories from Memorial Stadium, and how singing "Thank God I'm a Country Boy" during the seventh-inning stretch has become a fan-favorite tradition. Author Dan Connolly has collected every essential piece of Orioles knowledge and trivia, as well as must-do activities, providing an entertaining and enlightening read for any Oriole fan.

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 34 customer reviews

Best Sellers Rank: #162,817 in Books (See Top 100 in Books) #3 in Books > Travel > United States > Maryland > Baltimore #168 in Books > Travel > United States > South > South Atlantic #236 in Books > Sports & Outdoors > Baseball

Customer Reviews

Dan Connolly has spent more than two decades as a print journalist in Pennsylvania and Maryland. The Baltimore native first covered the Orioles as a beat writer for the York (Pennsylvania) Daily Record in 2001 before becoming The Baltimore Sun's national baseball writer/Orioles reporter in 2005. He has won multiple state and national writing awards, including several from the Associated Press Sports Editors. In 2013 he was named Maryland Co-Sportswriter of the Year by the National Sportscasters and Sportswriters Association. He lives in York, with his wife, Karen, and three children, Alex, Annie, and Grace.

This book was a great read for fans like myself that may have missed out on what the Orioles were up to before the 1990's. Dan Connolly put a great effort into this book by digging for interviews with the living legends of the team. Only complaint is that the book was structured much more around the

things fans should know rather than do. I was hoping to get a few activities from it but instead found a wealth of information.

My husband loves this book. He is an Orioles fan and knows a lot of trivia from them, but he was surprised to find out more interesting facts.

As a younger O's fan (I'm 29) whose fandom had only recently blossomed when we hit the rough patch beginning in the late 90's, this book has taught me a lot about the old glory days and the older players who I didn't have the opportunity to see. It's also helped me to re-live The Streak and other moments of my childhood. All in all, I love it!

You have to be an O's fan to appreciate this book. Learn some facts about the Orioles.

Well, I'm old enough to have lived through and known most of the "100 Things". Regardless, this book did give some further insights into things I knew and reacquainted me with much that had passed from my memory. Should be in any true Orioles fan's library!

Anything that you wanted to know about the Os. From the beginning in 1954 to the present. I thought I knew everything but I really know now.

Gave as a gift but the recipient really liked it!

An easy read of an historical review of my favorite team! Go O's!!
