Psalms By The Day: A New Devotional Translation

Synopsis

Following on from the successful and much acclaimed *Isaiah by the Day*, Alec Motyer leads us through the Psalms in this new devotional translation. Day by day you will read freshly translated passages from the Psalms and have an opportunity to explore the passage further through the author's notes and devotional comments.

Customer Reviews

Part commentary, part word study, and part devotional summary/analysis, the author has brought together his earlier treatment of the Psalms in a repackaged format suitable for daily personal reading. Reflective, suggestive, informative, and inspiring, this book models the profound but subtle scholarship for which Motyer was well known. (Banner of Truth)I've long taken the view that anything by Alec Motyer is always worth reading. His grasp of the Bible is second-to-none. The publishers have excelled themselves with this handsome hardback volume. Here are 73 days of readings incorporating Motyer's fresh translation of the Psalms. A book to savour and enjoy. (Eddie Olliffe, Together Magazine)What a wonderful resource! This is an invaluable study companion for anyone reading through the Psalms ... very accessible and user friendly; no knowledge of Hebrew is necessary. I heartily recommend this for pastors, students and laity alike. (Seulgi L. Byun ~ Director of Postgraduate Studies, Oak Hill College, London)... expository without being dry, devotional without being forced. As we get to look over his shoulder, we learn to read the Psalms better for ourselves ... delicious combination-richly full, concisely put. (Mark Dever ~ Senior Pastor, Capitol

Hill Baptist Church and President, 9Marks.org, Washington, DC) This book is an absolute treasure - a life-time of godly scholarship, faithful preaching and pastoral wisdom all in one volume ... a wonderful way to engage freshly with these rich Biblical songs! (Jonathan Lamb ~ Keswick Ministries, CEO and minister-at-large) This book is the dream combination: the Psalms presented as a daily devotional by the great Christian scholar ... Everyone who picks up this book will find that they not only learn to read and understand the Psalms as Christian scripture, they may also find their prayer life changed in a profound and dramatic way. (Carl R. Trueman ~ Paul Woolley Professor of Historical Theology and Church History, Westminster Theological Seminary, Philadelphia, Pennsylvania)

Explore the Psalms with Alec Motyer

This is a devotional that will take one through the entire 150 psalms that is both scholarly and readable as well. It allows one to go as deep as she/he wishes. I also discovered interpretive choices here that I had not ever considered before. A real gem that keep me in the Psalms for years to come!

This was delivered promptly and was well packaged. In my opinion, this is a great book. The author has wonderful translation information as well as quality devotional thoughts, and I love his subtitles added to "outline" the various psalms, as they really bring clarity to what I'm reading. His many great short notes are off to the side and don't interfere or interrupt my reading of the Psalms, but they're so great, I always go back and re-read them. I have always loved the Psalms and this book makes me love them even more.

I was skeptical about getting this book bc I needed a new daily study but didn't know anything about the author. I absolutely love the book & have reverted to doing 1 Psalm a day because there is just so much information & ideas to delve into that doing more than 1 at a time prohibits me from truly learning & relishing in the study of the Psalms itself...definitely don't want to stop what God's showing me by completing all of the day's assignment at once. I love how he uses "Yahweh" where it's used in the original. I love how he has kept the original word order when he translated from the original language into English. There are LOTS & LOTS of footnotes which are just packed with necessary information. I've already bought 2 more of his books for when this one is finished.

I so enjoy his style of writing and all the study notes. Several friends have borrowed my book and are now buying their own copy

I really like this devotional commentary--very informative but not dry or sterile.

excellent work, clear concise

Excellent book.

A wonderful new book. You'll love Alec Motyer. This book will walk you through Psalms. A helpful devotional book.
