## **Customer Reviews**

CAROLYN MEYER is the award-winning author of more than forty books for young people. She lives in Albuquerque, New Mexico.

The great thing about this series, is that you want each woman to succeed, and you feel her pain. You can appreciate the view point of each woman, even though they ultimately were against each other, as you read "her" story, you want her to triumph. As you move thru the series you champion for the character who you are reading about. It really shows that there are always 2 sides to every story!

It was great. Only slight water damage to one of them. Other then that, I've gotten through two of them already

Didn't matter to me that it is for "young readers". I totally enjoyed it!

would purchase again. my husband think it is amazing , I quite enjoy this product. I like to collect kitchen utensils but usually shell out for pots and pans and buy my knives at thrift stores. For the price, this product has been super useful. comfortable,nice . arrive on time.
