Our Boys

Synopsis

After getting burned in his last relationship, Diego isn't looking to get involved. He is willing to allow only one little guy into his heart. That little guy is his irrepressible, four-year-old son, Jamie. But Trevor, a young neighbor who just moved in, might turn out to be too much of a temptation for Diego. Trevor is taking care of his one-year-old cousin, but he's worried he might lose custody. He has quite a few challenges in his life, and Diego is driven to help him overcome them. As the two families bond, the guys find their feelings for each other growing stronger. It's only a matter of time before they'll have to admit that they found in each other everything they ever wanted.

Customer Reviews

Poignant love story, I was rooting for these guys right from the beginning. And the kids! So cute. It's not always easy to write children, and Trina Solet nails it every time. The baby is perfectly depicted, as the four year old.

Sweet story loved both Diego and Trevor such good dads some question if Trevor will be able to keep his cousin but they get a happily ever after. I hope she writes a book too Lance deserves his own special love and family.

The story line is a basic romance, slow to build, and touched with occasional doubts for each character. Decent character development for the length of the story and an ending that promises a future and a HEA.

I really enjoyed the storyline and the descriptions. Unfortunately, the dialogue was incredibly wooden so I kept getting dragged out of the story - it was that unrealistic. Bummer.

There was no TOC which I find makes it hard to read. I have to use Text To Speech and often need to back up and restart at some point.

Very sweet love story involving 2 sweet little boys.
