# Blower : Snowboarding Inside Out (Book & DVD Set)

## Synopsis

A comprehensive insider's view of the world's fastest-growing winter sport and the energetic subculture it has spawned. It offers a holistic picture with action shots, behind-the-scenes reportage, hospital portraits and the latest graphic designs and illustrations. These images are infused with commentary, quotes and jargon from those who live for snowboarding - pitching iconic high-points alongside day-to-day minutiae, weather obsessions with the trappings of a professional rider's engagements.

## Customer Reviews

So awesome and worth the money. It's not just photo after photo of a snowboarder. It's behind the scenes about everything that has to do with snowboarding and just people in general. The cover is an awesome texture as well.
