Customer Reviews

I have several Dover Stencils. These are a great small-ish size and I use them in my Bible Journaling as well as letting my grandson draw (then color) his own creations. I've taken them in my purse for him to have something to do during church services. This little book (as well as the "Fun with" series) is pocket size and you get about 1-2 stencils on each heavy cardstock page. I've had some of my little Dover stencil books for several years.

GREAT 5A100%STARS

This book is only about the size of my hand. It is ok if you are looking for kids to do a small art project but don't buy this if you are looking to do stenciling/painting on the wall (kid's room decor). It

is also made of a paper with a coating over it. So it is only ok to use with colored pencils or crayons. It might fall apart if you use paint.
