I was expecting more information and pictures about Pitbull in the book. It is almost like a children's picture book. I'm a big fan of Pitbull so I wanted to learn more about him. This book is for the Pitbull fan who wants to have anything about Pitbull. Otherwise, if you're hoping to find great pictures or unusual facts about him this is not the book for you.

Not a good pick. Unhappy

This book does not reflect on all the success Pitbull has achieved. It is a short overview of his life. I was honestly expected more. They left out may collaboration and achievements. Thanks to my friend Noe for this Christmas gift. I am pitbull's #305 fan. Dale
