Customer Reviews

Patricia Molina, MD, PhD, is a Professor of Physiology at the Louisiana State University Health Sciences Centre in New Orleans, Louisiana.

So far so good,

I needed more about the pathways and less about disease Yet it was well written on diseases. For what I needed it was not enough

perfect

Great book

Book was new and arrived on time

great

OK, there is do not have any problem. good . Beyond what I expected! The price made it that much better... The seller was great he reached out to me asking how I liked the item and I felt he was genuinely caring what my opinion . Great product send it to my grandson, Nice and valuable.

Best book out there on endocrine physiology. It is concise and features excellent illustrations.Highly recommended
