The Way We Love 2: Benji & Nhalia's Story

Synopsis

With the weight of the world on her shoulders and the cops breathing down Nhalia's neck, she's not sure who to trust. After murdering her father, and getting arrested for it hours later, Nhalia is sure that somebody has turned on her. Benji's torn when Nhalia shows up at his house in the middle of the pouring down rain, only to be run off by his jealous assistant Nikki. He's not sure if it's best to wipe his hands of Nhalia, and move on with his budding career, or fight for the girl who is slowly capturing his heart. The Way We Love 2 is the continuing story of Nhalia and Benji's budding little love, and as they both walk the fine line of what it really means to ride or die, one thing is for sure, being with Nhalia could cost Benji every little thing he's worked so hard to build, and he has to decide quickly, if his girl is worth it...or not.

Customer Reviews

Important lessons from this book:1. Put God first in everything you do2. Pray about everything3. If a person doesn't want you...you can't make them want you4. Sometimes friends are like family then

your own family Looking forward to part 3.

C. Harris one of my new favs. She is real but shows the realness of God at the same time. Please keep writing stories that everyone can enjoy. I'm sure someone has discovered Christ because of you.

I love the development of Benji and Nhalia's love story! It is so pure and authentic that I'm having a hard time believing that this is fiction! True love really does accept all wrongs. Just like in my review of book 1 I still have the urge to lay some hands on Nikki for her conniving, jealous, and vindictive nature. The man doesn't want you, now move on Sis! lol I knew that she was low-key crazy from the first book but now she proved herself to be even more so. The character development in this book was amazing and the underlining theme of grace that runs throughout not only makes the story very relevant but applicable to our daily lives. It doesn't matter what we've done, or how far we've gone, once we seek His forgiveness God is ALWAYS (I said always) willing to accept us back in the fold. I can't wait for # 3 and for Nhalia to recognize that her identity lies in Christ.

I still love the love that's brewing between Nhalia and Benji. They've had many obstacles try to tear them apart but with power of prayer they've withstood the hardest test. Nikki needs to have several seats and I can't believe she'd go as far as she did when she was supposed to be a friend before anything to Benji. Cimoni is still a loose cannon but it's good knowing she's willing to help Nhalia. Maria just had to stir up more trouble. If she really had a plan she should've orchestrated it long before changes came into play. I didn't feel sorry for her because should've put everything in the open long before now. Poor Nhalia. I'm glad she finally told Benji the truth because he deserved to know who he could possibly be getting involved with. I have faith that the way Benji and Nhalia love will only take them further and prove even those who have a past and made mistakes along the way can make a change to find happiness and be better than they once were.

I'm a little disappointed that part 3 isn't out yet. I'm finishing this five months after it's been released, so that's too long....But what a story! Part 2 goes into even more drama and threatens Benji's career. Nhalia can't win for losing, so it seems. But God. I know the victory's coming. I didn't miss the irony that Carter's last name is Graves and Benji's last name is King. Really need part 3 now.

Just...wow! The second part of this series is off the chain. Benji and Nahlia's relationship is truly

being tested. They have a lot going on and their faith is truly being put to the test. I pray that their union can withstand all the hits they are getting. And Nikki...I knew she was a snake from jump & I'm sorry but a huge part of me feels no remorse for her. I'm ready for Part 4.

C. Harris has done it again!!!! I had actually scrolled past this series a cpl times! My goodness! I'm so glad I finally downloaded! Drama, drama, & more drama!!! But without the vulgar & profanity!!! I could not get enough! Don't make the mistake I made! Get this series today!!!! I'm like a junkie....where is part 3?!?!!!

Part 2 picks up where part 1 left off at and I must say you haven't lost your groove lol.I don't want to give away the story ,but im so glad Benji gave Nhalia another chance.She has been through so much so it's refreshing for her to finally experience genuine love.It's refreshing to see a book that focuses on christianity instead of your typical thug book.Hope everything works out for Bemji.
