We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has a variety of American vocal literature which is valuable for the singer or teacher. The range of difficulty is from intermediate beginner to accomplished artist.

Not too many repeats, and very nice typeset and layout. Seems as though it will be quite useful. The

only drawback, really, is the price.
