ONE MORE CHANCE TO THANK YOU FOR A COLORING BOOK THAT GIVES ME LOTS TO DO TO FILL MY TIME

These are great for seniors or for anyone that just wants easy coloring. With seniors, I use Egg-oh hand grips with Crayola markers and a whole world is opened up for them, even with arthritis.

I bought it a gift to grandma with gel pens and she love it so much , I think it's perfect for seniors because they have a large space for coloring , Thank you .

Nice large designs for seniors!

These are nice, simple, mandala designs drawn largely for children with coloring skills and also perfect for senior citizens with poorer eyesight and a less steady hand. The paper is thin and white. The mandala designs are large and uncomplicated but attractive. They really come to life with color. Perfect for pencils or crayons. Pens and markers will bleed through the thin paper .
