# Computer Programmer (Careers With Character (Mason Crest))

## Synopsis

Careers with Character combines factual information about a particular career with in-depth character education strategies. The series provides readers with real-life career models and practical steps toward building character. In each volume, individuals of character work to respond appropriately to career issues. These issues involve not only right versus wrong, but also right versus right, helping readers to gain a deeper understanding of the possible benefits and consequences of their decisions.
