If It Fits, I Sits: Cats In Awkward Places

Synopsis

Weâ™ll probably never know why our furry friends insist upon squeezing themselves into weird and awkward places, but that doesnâ™t mean we canâ™t appreciate the ensuing cuteness! With over one hundred photos of cats caught in the act, *If It Fits, I Sit* captures the quirky, adorable, and no-nonsense spirit of felines everywhere.

Roughly 5x7 size...smaller than expected. Adorable pictures with tag lines written at bottom. Puts a smile on your face. Great gift for cat lovers.

My Granddaughter has read it many times already. She really likes it!

Love this book. Really cute. Great for a cat lover.

So cute I have had some cats that have been in some of these places and you just wonder how and why they like these places.

I put this great little book in my library on the top shelf....and visitors cant resist picking it up...it puts them in a better mood.

I bought this for a friend's birthday present and it brought some smiles, even some laugh out loud

moments. thank you

Just looking at the photos can give a lift--they're wonderful. Don't bother reading the idiotic captions.

Grandma loved it
