Insight Guides: Morocco

Synopsis

Whether you want to explore the markets of Marrakesh, kitesurf in wind-swept Essaouira or go on a camel safari in the Saharan desert - Insight Guide Morocco helps you get the best out of this enchanting land. Inside Insight Guide Morocco: A thoroughly overhauled edition by our expert authors. Stunning photography brings this stunning country and its people to life. Highlights of the country's top attractions, such as the nightly spectacle on the bustling place Jemaa el Fna, blue-washed Chefchaouen nestled in the Rif mountains, as well as the majestic peaks of the High Atlas and the labyrinth of medieval markets, palaces and mosques in Fez. Descriptive region-by-region accounts cover the whole country from Tangier to Marrakech and from surf-pounded beaches to remote kasbahs. Detailed, high-quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guide books and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure.

Customer Reviews

I really like like Insight Guide books. I was once a lonely planet kinda person but with the internet I find I don't need to know where to eat or stay in a guide book. What I need is the history and maps. They do a good job of getting a local perspective on what to see and do and why you what to see and do these things. Good job, I look forward to discovering Morocco with your help.

Good book to read before traveling to Morocco

Excellent source. Lots of current info. Easy to read and to find info. Recommend it for persons planning to visit Morocco.

Great condition

Great descriptions and photos

Insight guides are always great. Wonderful pictures and background information. Eyewitness Guides are also very good.

Average, at best. Not very useful.
