Dive Galapagos - 2nd Edition

Synopsis

"Dive Galápagos - 2nd Edition eBook" is the latest in a series of informative dive guides by Steve Rosenberg. It provides detailed descriptions of 46 of the most popular dive sites and dozens of land tours throughout the archipelago. The guide also contains practical information on travel basics and some of the fascinating wildlife that visitors will encounter. This electronic interactive guide has many useful features and can be used as a travel log, allowing you to add your own comments and notes. This comprehensive guide is a great travel companion and information resource for anyone who is planning a dive trip in the Galápagos and for those who have already visited this unique destination. Dive Galápagos is available November 2016.

Customer Reviews

Good general information. Don't get hung up on the prices quoted for things as they change. My wife and I are currently on the island of Santa Cruz for two months. The book provides good information but what we have learned since being here is that what one person sees may not be what another sees. What you are able to see depends much on luck and timing especially with diving which are dependent on water conditions besides when and where.
