Customer Reviews

Haven't finished reading this book yet but I'm towards the end which is why I gave 4 stars instead of 5. So far it's a really good and clean romance. Best I've enjoyed in a long while. If there was anything negative about it I would say it doesn't give much timeline or description in details like some others do (ie looks or dress) but that's easily overlooked because it is an enjoyable read.

This is quite solid except for one thing. The "hero" of the story does not seem heroic enough to match the heroine to me. In fact, he is an interesting, but annoyingly sappy guy. Decidedly not moving. As such, the romance fails for me. The heroine is great, and I really enjoyed her journey, but she marries beneath her.

This book was long and waits to the last possible second to come to a conclusion. I read finished just to see if anything at all was going to happen.

It was charming! I really enjoyed your writing style! Well done! I would recommend The Lady and the Duke!

I loved it. Could not put it down. Searching for the next one. Fabulous writer and being a mystery reader mostly now must say I am thoroughly enjoying your books.

It was fun to read about a young lady falling on hard times, but still able to find happiness.

Great period story. Well written. Wonderful author. Nice plot twists and sweet happy ending. Definitely recommend this book to readers.

What a fun book! I can't wait for Part 2.
