Criminal Law, Criminal Procedure, And The Constitution

Synopsis

This book combines criminal law, criminal procedure and the Constitution from a practitioner's point of view. Drawing on the author's vast professional experience, it gives readers what most survey books do not, the ability to analyze criminal justice situations from a legal perspective. Discussion of the Constitution and U.S. Supreme Court decisions are integrated throughout each chapter. Edited case excerpts appear throughout and retain original court language, detailed analysis and questions to illustrate fundamental legal concepts. Building on its more effective treatment of case law, the book clearly shows the relationship between criminal law, criminal procedure and the Constitution.

A Massachusetts native, Stephanie A. Jirard is an Assistant Professor of Criminal Justice at Shippensburg University in Pennsylvania. She received her B.A. in history from Cornell University and her J.D. from Boston College Law School. She is a former Lieutenant in the United States Navy's Judge Advocate General (JAG) Corps where she defended sailors and Marines at courts-martial and administrative discharge boards in Louisiana. At the Navy's personnel headquarters in Washington, D.C., Jirard advised senior command officers in the areas of sexual harassment, provided training on processing child sexual abuse and other family abuse cases, and was responsible for the timely processing of all Privacy Act and Freedom of Information Act requests forwarded to the Headquarters command. Jirard was a Trial Attorney at the United States Department of Justice in the Civil Division, Torts Branch defending the United States in

environmental tort and human radiation experiment lawsuits across the country. She also served as an Assistant United States Attorney and an Assistant Federal Public Defender both in the District of Massachusetts. Her last public service was as an Assistant State Public Defender in the capital litigation unit in Columbia, Missouri, representing indigent men in death-penalty cases.

This is not an acceptable rental book. There's so much writing it's distracting to read!

It was cheaper (even with shipping) to buy the book here than it was at my school's bookstore. I don't sell textbooks back because you never get nearly what you paid for them, but this one was pretty good regardless. I was able to use it for several other papers in other classes.

Item was as described! Fast shipment!

Was very pleased. The condition of book was good.
