Customer Reviews

"This book is an excellent resource for clinicians of all levels â€” from dental students to periodontal specialists. The text itself is well illustrated throughout with tables, diagrams, clinical photographs and histopathology slides, while the interactive online section also embraces modern technology and educational techniques." Truly excellent condition! I sincerely appreciate the "Expertconsult.com" code and the book appears brand new! Thank you so much!

I love this edition and particularly its electronic version. The E version works so well with Inkling, which makes the reading a lot more enjoyable.

Good good good good

Came brand new!

Great books- came in earlier than I expected it to be delivered.

Great condition! Thank you!

Switch between reading and online makes the book practically useless
