Divine Magic: The Seven Sacred Secrets Of Manifestation

Synopsis

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.
