When In America...: Expressions And Idioms Used In The United States

Synopsis

Do you wish you could speak American English like it is your first language? There are so many fun expressions and colloquial terms in American English that can jazz up the way you talk. Even for native English speakers from different parts of the world, understanding all those terms and using those in everyday language may be difficult. Then again, if your way of talking is completely different from your American peers, you may feel left out in conversations. What's the solution to this problem? Mohamed Akl, the rising author, has recently launched his book *When in America* to introduce the world to the most interesting terms and expressions that Americans use every day. Appropriate for both native and non-native English speakers, *When in America* is the go-to guide that you should refer to when you are having trouble understanding the meaning of a phrase. This audiobook will also train you to speak like an American. If you have always wanted to join in conversations with your funny anecdotes, this book will surely help you gain the confidence. Filled with interesting terms and few not-so-common idioms, *When in America* stands out among the various other books in the genre. This audiobook offers you a fun and comfortable learning experience.
