This calendar was a Christmas gift for my husband, so am not using it personally. He seems to be enjoying it and is finding beers he would like to try as a new one is introduced daily. Each page explains the beer, the highlights and the brewery where it is made. The only thing that would make this calendar better would be color pictures of the bottle or the beer in a glass.

Call me crazy, but I thought every day would have a beer on it. Nope. I got beer poems, beer songs, beer recipes, beer festivals. Maybe that was in the description, but who's got time for that.

I buy one every year. We are beer lovers and it's fun to see what they put on it every day. Good research.

I got this as a gift for a friend. He says he really enjoys reading these at his desk each morning.

I give my husband one of these every year and he has not asked me to stop. Loves it.

This an annual gift I give and the person receiving it enjoys it all year long

Got for 22 sons who are craft beer lovers

Had the one from this year cant wait for the new one!
