Customer Reviews

The groundbreaking research in The Unknown Prophet did much to clear up misconceptions and set the record straight about William Foy. It told the largely unknown story of this sensitive young man of color. Furthermore, he faced incredible trials and struggles yet faithfully fulfilled his time-specific prophetic commission during the height of the Millerite movement and went on to maintain a quiet and productive ministry until his death in the late 1800s.

It was very informative. I would read it again.

There is a lot better book of this kind. It is a revised and updated edition with more pictures and about over 50 pages added to it. The book is only titled "The Unknown Prophet" , copyright 2013 and it is a soft cover. Both books are by the same author, but little different of editors.

very good book.
