Nice variety of recipes, and perhaps the best part is how percentages of fat, carbon, and protein are given for each recipe (along with detailed nutrition info). With the macro information, it's much easier to balance my intake properly. Haven't noticed too many exotic ingredients, which is always a bonus.

Love this cookbook!!! I don't write reviews often, and I don't have a lot of time to cook. The recipes in this book are easy, with seldom more than 5 steps, and are tasty! Just what I was looking for. I have purchased other keto cookbooks and the recipes were either too complicated/time intensive or unappealing. I am amazed that I like most of the recipes in this cookbook - a real winner!!!
