Sips & Apps: Classic And Contemporary Recipes For Cocktails And Appetizers

Synopsis

When it comes to cocktails and appetizers, chef Kathy Casey is an expert at balancing flavors and textures. Sips & Apps has 100 recipes that include not only classics like the Martini and Manhattan but also creative new concoctions like the Douglas Fir Sparkletini and the Blue Thai Mojito.

Appetizers include simple finger foods like Roasted Pear Crostini with Gorgonzola and ChaCha Cashews and more substantial treats like Asian Shrimp Cakes with Sweet Chili Sauce. Lots of info on stocking a home bar and plenty of techniques and extras (like a nifty double ribbon marker labeled "sips" and "apps") make it easy to match up the right sip with the right app.

Kathy Casey is a bar chef and international food, beverage and restaurant consultant. She lives in the Pacific Northwest.

I checked this out of the library (along with several other cocktail "cookbooks") before we threw a reception at our house. I really liked SO many things I saw in this book and committed the sin of trying them out for the first time on guests at our reception. Everything we tried was such a hit that I bought the book. The Cha Cha Cashews and Rosemary Tuscan Lemondrop were huge hits (one guest even asked if he could take the rest of the cashews home). I love the simplicity of the recipes. I like that many things are made from scratch and she also includes recipes to make your own infused vodkas. This would make a great hostess gift and it's wonderful for those who entertain.

What a fun book. Lots of great appetizers and drinks. fun flavors. New twists on classics. I love some of the simple syrup ideas and drinks with herbs. Hoping to use a couple of recipes for a party this weekend! Particularly like drink idea that can be prepped a pitcher at a time for a party so you aren't stuck mixing during our event. Kathy Casey is a Seattle Icon - keeping it fresh and fun. If you are even just passing through Seattle Airport be sure and check out her Dish D'lish!D

This is a great book. All of the recipes are easy enough to make but don't appear simplistic when serving them. It has become my go to when having friends over or when I just want to do something different. I am very happy with the purchase and would definitely recommend it!

After ordering one, I bought three more for gifts. Recipients loved these books! In this age of technology, it's nice to relax and flip through a lovely, interesting book.

I recently gave this book to a friend for her birthday -- she is the official 'tini' mixer for a group of women when we get together to celebrate birthdays and other events. She was so taken with the book, that she turned around and gave copies of the book to the rest of us. Needless to say, the 'sips' are great -- I highly recommend the Tuscan Rosemary Lemon Drop -- definitely a hit with our group! We have also tried several of the 'apps' recipes (again, I recommend the Pineapple Salsa) and they have all been great. My only disappointment is that I would have liked even more 'apps' recipes!

This book is wonderful! It is a great addition to any foodie's library, definitely taking a spin on traditional sips and apps and giving them a new twist without going overboard. A definite taste sensation!!!Kudos!

Awesome creative drink and appetizer recipes for a small party or a crowd. Enjoyed this book very much. Many different ideas infusing herbs with drinks too, delicious!

new, beautiful, fast shipping.
