Customer Reviews

I'm 63, I have used 3 or 4 versions over the years, 30 plus years. It's the only Bible reference I carry when I travel. Fun stuff, informative. An easy read, This is the latest version. I'll be buying quite a few as Christmas gifts,

I was introduced to this book in Bible College in 1965. What a fantastic and thorough book historically, archeologically and scripturally! It is easy reading and sheds light on Old Testament places that helps you to find them in our modern world maps too. I think this is an excellent source of reference for young Bible students as well as the seasoned students. It is also wonderful, too, that this edition is also available for e-readers. But it is hard to replace an actual in-hand hard copy. Great buy!

There is plenty of good information in this book. However it is TEREIBLE to navigate. The information is not indexed in any way so that you can look up information on any given Scripture text. You just have to 'thumb through" until you find what you want. I'm sorry I purchased it for my Kindle!

This Bible Handbook is very informative and helpful. I have a hard cover copy and I bought an e-version.

Probably one of the best bible study works you can find. It has been around for decades and continues after more than 80 years to be a unsurpassed bible study resource. The new edition in digital form is wonderful and the illustrations of bible geography is very informative. I highly recommend this classic.

Everyone should read the Bible every day. What do you have to lose. 25th Edition should tell you something. LOADED with great information and illustrations.

This is a wonderful resource book. But do not buy it in kindle format. They've done a horrible job converting it. They have not put in enough hotlinks to make it easily navigable. Buy it in hardcover.

Bought this as a gift as I love mine. Great resource to accompany your Bible reading. Especially love all the info on the Messianic prophecies. Love that Halley used his long train ride to and from

work to memorize the Bible!
