Wasted On Jesus: Reaching For The Lover Of Your Soul

Synopsis

Wasted on Jesus defines a new generation of passionate lovers of the Lord Jesus. Within the pages of this book you will be introduced to the hunger and passion of these "wasted ones." You will experience the collision of religion with reality, theology with thirst, and legalism with extravagant love. These desperate souls cry out for spiritual mentors, someone to guide them toward the secret places where God dwells. This book is destined to become a guide for all those spiritual discontents who long for the courts of the Lord. This is not a crash course in spiritual disciplines. It is a love book where you will learn the language and feel the throbbing of the Divine heartbeat. Prepare to take your first steps into His dwelling place.

Great

Once again James Goll and provoked me to jealousy!!This is a great read for those who hunger for MORE!!!

Received on time a very good and enjoyable book

It has been an excellent book.

Jim Goll challenges his readers to not just dabble in Christianity, but to fully waste their lives on Jesus. It is an authentic and compelling call to live as a disciple of Jesus. Goll refers to many of the desert Fathers and other monastics, so it's a bit heavy on the contemplative side, but none the less, sets the goal and practical strategy for intimacy with God clearly.

I've been a student of Christian meditation for years. Although this book is not about Christian meditation it covers it in many areas. This book is well written and flows well. It will challenge you to expand your relationship with Jesus."Wasted on Jesus" is packed full of thoughtful ideas to help you get closer to Jesus and enhance your Christian walk. This is a good book to read once but you'll want to keep it on the shelf and go back and read sections again and again. I suggested you get a new highlighter before reading this book, you may need it!

This is a book for the hungry. This is for those who are deeply longing to experience more of Jesus & to delve into His heart which is passionately in love with His bride. This is a book about extravagant, "wasteful", lavish worship - & boy, is it good. I love it when I find a book that as I read it, I keep saying, "Oh, yes, that is exactly what I'm longing for", "yes, that is exactly what I want." But not only does "Wasted on Jesus" put words to desire, it also awakens even more deep longing - I

dare you to read this book & not fall more deeply in love with Jesus.

If you're going to read this book, you better grab a coffee and get ready for a visit. Reading this book has been like sitting with Jim Goll listening to him share his heart. If it is your hearts desire to be closer to Jesus in a real intimate encounter, this book will be a guide. If you are wanting "More", more of Jesus, more of what he has waiting for you, enjoy the journey that awaits. Thank you Jim for sharing what God has shown you.
