Marcia Baldwin is a professional artist in Louisiana who specializes in vibrant oil paintings. After many years working in and around art--making a living as an advertising designer, art teacher, art consultant, photographic artisan and many other niches--Marcia finally opened her own art studio dedicated to fine art. Formerly trained in art, she has earned both a BFA and an MFA.

Marcia Baldwin is a wonderful artist, but still needs a bit of work on writing this book. It is very helpful and etc. But it could be alot more in depth.not sure the oversized book with lacking amount of pages is worth the price I paid, but the information in the book is good.

VERY GOOD MATERIAL EASY UNDERSTANDING BUT THE PAINTINGS THEMSELVES COULD HAVE BEEN A LITTLE MORE REALISTIC.

More information that increased my abilities as a painter

Not very informative

it is an ok book not exactly what I was expecting
