Island Of Bones (The Djinn Kingdom Book 2)

Synopsis

Pirates, magic, and crazy action! The crew is back, and Nova must face the most dangerous challenge yet. After finding clues to her family's past she must escape the Star's Vengeance and stop wicked Captain Smythe once and for all. But, succumbing to the darkness within her is getting harder to resist. Nova must decide who to trust before she loses herself to the budding power and is enslaved among the crew forever. Join the crew today and continue with the second exciting fantasy adventure of the Djinn Kingdom. Continue with the series readers say is "Well written, intricately developed characters you can invest heavily in, and the story line with twists and surprises."

Customer Reviews

With every page I read from author L.J. Andrews and her epic pirate world I'm drawn in deeper. Well written, intricately developed characters you can invest heavily in and the story line

with its intricate twists and surprises. I look forward to reading Band of Shadows and further books in the series.

Now if that didn't get your attention, lol. This continues on Nova's journey on finding items needed to find the sacred temple. With help from those she hesitantly trust, she's in for a whirl wind of a time.

Nov's story is captivating, exciting and clean! I would encourage young readers to dive into this series. They will not be disappointed

I received an ARC of this book and am voluntarily leaving an honest review. Island of Bones is book two in the Djinn Kingdom series. It is written in 2nd person, from Nova's point of view, and continues the story from Pirate's Vengeance. The book is well written, and except for a few minor typos and one mistake (a cutlass that is said to be lost suddenly being back) there are no major problems with the plot or writing. The flow of the story is smooth and fast paced, which makes for easy and enjoyable reading. This book reveals more about Nova, her parents and things they have been hiding. I quite enjoyed reading this one, and found myself liking it even more than the previous book. It doesn't have a cliffhanger ending, but does leave you wanting more. I'm now looking forward to reading what will happen to everyone in the next installment.

I received a free copy of this book from the author in exchange for an honest review. Wow, Ms Andrews is one heck of a storyteller. Island of Bones is the 2nd book in The Djinn Kingdom Series and it is even better than the Pirate Vengeance. I could almost feel the movement of the ship on the waves. I was totally lost in the story of Nova and the revelation of her parents' secrets that they had been hiding from her. The book is well written and the story line is exciting and suspenseful. You never know what might happen on the next page. I can't wait to see what happens next to Nova, Kale and all the other characters.

Island of Bones (The Djinn Kingdom Book 2) by LJ Andrews continues the great series but could be read as a stand alone. There is a lot of action, adventure, some suspense, touch of romance, and fantasy in this exciting story. I liked it even better than the first. As a prisoner on a pirate ship, Nova is forced to help the creepy captain get what he needs. He may know about her magical dagger but he doesn't know about her true self. It is really exciting and there are lots of secrets unveiled in the story that are so cool. I really loved this story. I was given this story to read and the review was

voluntary.

Nova has no idea who or what she is but there is something different about her. This becomes even more apparent as they continue the search under the scrupulous Captain Smyth. There is a lot going on but with this amazing plot and the coolest characters this pirate story is one to behold. I love the way this author tells a story one that all ages will enjoy. Nova, Kile, and Atlas are up to the task with a little help from Taylor. Between the action and betrayal lots has changed but even more is happening. Great read.

I received a free copy of this book in exchange for an honest review. I feel really privileged to be part of reviewing this book series. The pace has really picked up from the last book and because I received the book early then the release date I had to slow the pace down a bit. otherwise I would have finished sooner. I can't wait till the final conclusion of the series. though it will be sad to leave this one behind
