Hungarian Wine: A Tasting Trip To The New Old World

Synopsis

Hungarian wine has never been so exciting. More than ever before, wine tourism is taking off in the country, revealing a beguiling mix of tradition and innovation. With ancient, underground, rock-hewn cellars and wineries of cutting-edge design, Hungary offers much to experts and amateurs alike. This new guide, written by Budapest resident and wine writer Robert Smyth, visits each of the country's wine regions, meets the winemakers, tastes the wines and makes recommendations of who to watch. Basically the same as the text we already have for the print book.
