## **Customer Reviews**

Honestly, I never knew about Atlanta and neither I have any interest about this place. But when my mom said that we are going to have a vacation there this summer, I was honestly not excited at all. To be enlightened, I tried looking for a travel guide that can give me great insights about this place. When I found this book, I was so bored reading it but when it came to 25 Unique activities to do when you are in town, I already felt enlightened up until the very last page of this book. Wow! Right now, I am more than excited to visit this town already. Such a great and wonderful book! So much information :)

Whether you're new to Atlanta, a native, or somewhere in between this book can guide you to some of the best Atlanta has to offer. Written by a longtime resident, this is not the work of a novice if you're coming to Atlanta on extended business, tired of having hit and miss experiences across town, or just want to make sure you enjoy the some of the best Atlanta has to offer, this book will lead you in the right direction. In paperback for your bookshelf or the Kindle version for ready reference on the go, either way you can't go wrong.

There are traveling treasures to be found in this book. It starts by featuring recommended dining places Atlanta. It is an excellent way to start your tour "through food! This shows the author's passion for experiencing good things during his trip by mapping out the best places that go beyond the tourist traps. If you are an active traveler who enjoy meeting people in Atlanta locations that reflect the culture of the place, this book will satisfy you as it has satisfied me.

Not your average travel guide! The clickable links (that actually worked!!) made it quite unique and so much better than most books out there. Had fun browsing the pages, and checking out all the activities and places to visit that the author recommended. Delivered on its promise of skipping all the tourist-y spots. All I need to do now is pack my bags and get my butt moving! Atlanta, here I come!

Concise and easy to know the highlights of the city I'll try to visit the suggestions this booklet gives

looking for more hidden gems
