# JFK In Nashville

## **Synopsis**

President John F. Kennedy's May 1963 visit to Nashville bears eerie similarities to his fateful trip to Dallas later that year. He spoke at Vanderbilt University to celebrate its 90th anniversary and the Tennessee Valley Authority's 30th anniversary. Nashville greeted the young president with grand enthusiasm, a warmth he returned by breaking from his security team repeatedly to shake hands with strangers. The Tennessean published Kennedy's itinerary and parade route, among many other details of the occasion. Six months later, he was killed by a sniper in Dallas, who fired into his open car after the motorcade route was published. In hindsight, Kennedy's peers say the shooting could just as easily have happened in Nashville. But the city was innocent of such worries at the time. This book includes The Tennessean's contemporary coverage of JFK's visits - in 1963 and earlier - exclusive photos and editorial cartoons, and recollections of the jubilant days when Camelot came to Nashville.

## **Book Information**

Hardcover: 258 pages

Publisher: The Tennessean (November 1, 2013)

Language: English

ISBN-10: 162930011X

ISBN-13: 978-1629300115

Product Dimensions: 6 x 0.6 x 9 inches

Average Customer Review: 4.4 out of 5 stars 3 customer reviews

Best Sellers Rank: #4,038,167 in Books (See Top 100 in Books) #85 in Books > Travel > United States > Tennessee > Nashville #5335 in Books > Biographies & Memoirs > Historical > United States > US Presidents #9218 in Books > Biographies & Memoirs > Leaders & Notable People > Presidents & Heads of State

## **Customer Reviews**

JFK's itinerary, including specific locations pertaining to my adopted hometown of Nashville, TN makes a nice retrospective as I visit areas where he inspired many citizens of the day.

Purchased as a Birthday Present for my Brother, who well remembers this day, and is impressed by its content. It was easy to order and delivered on time!

Very interesting look at the details of a Presidential visit.
