Customer Reviews

At last, a book about Spokane and the surrounding area from someone who knows the territory. Families will find the section on entertaining children invaluable. --Vicki Dar, Publisher and Editor, Family Magazine
I wish this book was available when I relocated to Spokane. This is a must-read for all newcomers to the area. --Mary Jo Colvin-Kane, Owner, Newcomers Service of Greater Spokane

Considering moving to Spokane or somewhere in Washington? Consider Spokane! It's a larger, more progressive than what most people think, and drier than the Western side of the state City of about 500,000 people including the surrounding areas....how did I know all of this before moving up? By reading this book. Get insights into neighborhoods, demographics, stores, restaurants, things to do, annual events, etc. You'll feel like you know the place when you finally get up here for your first visit which will save you hours. Call the visitor's bureau, which is listed in the book, for a relocation packet, too. I wish there were an updated version.

I did not realize this book was 20 years old. My mistake.

A little outdated
