Great product & service!

Love this bible study! it was easy to understand and relate to. This bible study was done with a group of young women getting together in our community for a first bible study together. It brought a lot of us closer together as well as closer to God. The days of individual days of study are not time consuming and the videos and groups session questions are great for opening up wonderful conversations. I would recommend this study.

This video series has been very enjoyable and love seeing the places in Israel where Jesus spoke the I Am statements. Great study in the gospel of John, but so appreciate Lysa going back to the Old Testament and bring it all together. Our pastor's wife did this with our high school girls and they enjoyed it very much, too. Good study for teens girls as well as women.

Very satisfied with this pack.

disappointing. I had thought from the blurb it would reveal Jesus in greater depth.
