Customer Reviews

Komm Mit: Ubungsheft : Level 2 (workbook)

The problem with this edition is that each Stufe (level) of exercises rennumbers the exercises within the chapter starting with "1". So there are three exercise ones, two exercises twos, two exercise threes, thus leading to confusion for my students. I had to renumber each chapter to be the same system as in Komm Mit I.

Very good for middle/high school-level students. Follows the text book nicely, with exercises to support the lessons learned. Good buy!

value for this price. great! it is a very useful tool, it is very fast delivery. Super product, great handle. Ordering another!
