Discover Your Spiritual Gifts: The Easy-to-Use Guide That Helps You Identify And Understand Your Unique God-Given Spiritual Gifts

Synopsis

Which of God's gifts has your name on it? When you become a follower of Christ, you receive gifts from the Holy Spirit. How can you know for certain which gifts you have? And once you do know, how should you use your gifts to best serve God? Discover Your Spiritual Gifts gives you life-changing answers to these questions and more. In this trusted study, you will be introduced to the 28 biblical gifts, learn the definition and history of each one and examine biblical and modern-day examples of people who share those gifts. By using the included questionnaire, you will be able to identify your specific gifts and find ways to use them in a community of faith. This edition contains a new Bible study for personal reflection or for use in a small-group setting that will help you explore in greater detail each of the gifts that Dr. Wagner discusses.

Very good book

Very good.

I have lead a couple Spiritual Gifts Workshops based on this book. It is a very good general overview of the subject and was easy to create additional questions for group discussion. It is helpful to have participants read the book and complete the survey before the workshop, and I also supplement this with material from SHAPE (additional worksheets that help people know their Spiritual Gifts PLUS Heart, Abilities, Personality and Experience - and how the combination of these traits can help them plug into ministries that will be a good match.

I gave 5 stars due to quick arrival & was as describe. However, I misread the description, I thought it was the Book.

Was a good resource for a study I am doing.

It is exactly what I was looking for.

This book is amazing. It is one of those rare books that really makes a lasting impact. I believe that the body of Christ would be so much better off if this book were required reading! It is freeing and motivating at the same time. I have already purchased numerous copies as gifts for friends because I like this book so much.

Insightful and laced with Biblical references, this book will help you discover your spiritual gifts without any sense of coercion. You just might be strengthened and encouraged after you read this book!
