The cover is great but I thought it would be all about NYC since it said it was in the title. NO, it's a regular crossword book with little snippets of NYC trivia at the bottom of each puzzle.

Great book!

I thought that the puzzles would be more 'New York' focused as well as very in difficulty. This was purchased for long subway commutes and it has not been the wanted relevant, challenging but accessible, distraction to improve the commute.

Always love these little pocket crosswords. Fun to do & easy to take anywhere.

Great little crossword book - not too difficult, and not too easy.
