Customer Reviews

Â Purchased this journal based on advice from a friend who is a Family Therapist. It's part gratitude journal, to do list and daily log which is great. Been using it for the past week, the fact that I can use it to track my mood and gratitude is definitely worth it. The prompts are great because I have a tendency to forget what I did during the week with so much happening and it's been great coming back to the journal as a weekly reminder. My Husband said he notices a difference in my mood since it came and overall i feel happier just being able to condense my other journals into one. I will

likely buy another one as a gift for family and co-workers. The Daily Power Journal - Deep Blue Cover: A Powerful Tool For Personal Transformation, Productivity, Happiness & Daily Gratitude, 6" X 9" (Durable Cover)
