James - Bible Study Book: Mercy Triumphs

Synopsis

James: Mercy Triumphs - Bible Book by Beth Moore provides a personal study experience five days a week plus viewer guides for the 8 video sessions of this in-depth women's Bible study.

James, Jesus's own brother, started out as a skeptic. See how one glimpse of the resurrected Savior turned an unbeliever into a disciple. Bible scholars compare James to the prophet Amos. In other ways, James more closely resembles the Book of Proverbs than any other New Testament book. Topics in this study include: joy, hardship, faith, reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer. 8 video sessions with 7 weeks of print study. Beth introduces a 5-tiered study approach with this study. Level 1: Watch the video sessions only. Level 2: Watch the video sessions and do the homework each week. Level 3: Watch the video sessions, do the homework each week, and, as you study, write out the entire Book of James. Level 4: Watch the video sessions, do the homework each week, write out the Book of James, and complete the "What could I do to go deeper?" section each week. This section is written in collaboration with Beth's daughter Melissa. Level 5: Watch the video sessions, do the homework each week, write out the Book of James, complete the "What could I do to go deeper?" section each week, and memorize the entire Book of James.

This study is a great Beth Moore study! This one has a bit of a different format. The study has 5 different "levels" as she calls them. The levels all build on each other, but the idea is that you can do as much or as little as you feel led to do: Level 1 is simply watching the DVD sessions and filling in the notes from that, level 2 is doing the homework daily, level 3 is a directed writing of the book of James (which she has dedicated pages in the back of the book for), level 4 is reading the excerpts that her daughter Melissa has written to give you more background on certain discussions from that week (usually 2 of these articles per week), level 5 is memorizing the entire book of James (which she outlines as a 5 month process and gives a website with great resources to help you out). The study itself gets into what it means to be a Christian and how faith and mercy should look in our lives on a practical level. As always, Beth Moore is easy to understand, but challenging and encouraging! This is a great study for repeat Beth Moore studiers or those new to her studies!

I joined the Women's Bible Study to go through the book of James. Just three weeks into the book, I have not only grown in knowledge, but spiritually as well. This is my first Beth Moore Bible Study and I am hooked, girlfriend!

Ms Beth brings it again. This study allows you to engage on 5 different levels, based on what you can do in your life right now!

What an incredible study. It is well researched, perfectly articulated. I was very lucky to do this with several ladies. But, even alone it would have been beneficial.

Very good

A good study to do with a group. You will definitely need the DVDs that accommodate the study - we have a group leader who ordered them and we watch them together when we meet. I really like Beth Moore - her passion and energy definitely show in the DVD series.

Got for a study class she is a good teacher packs a lot into each lesson need the dvds to go along with this study guide.

"James" is such a practical book in the Bible, and Beth Moore takes it verse by verse in this study. There are different levels in which you can do the study. Level 1 is videos only (no home-work), level 2 is videos and home-work (home-work is 5 days per week), level 3 is videos, home-work, and writing out the book of James (there is room provided to do that in this book), level 4 is all of the above plus extra reading that takes you deeper yet (in the book too), and lastly, level 5 which is all the above plus memorizing the 5 chapters of James. You choose which level best suits you, and jump in! I highly recommend this study!! Beth outdid herself here!
