Customer Reviews

ST. Petersburg, Alfa-Colour, 1998, 181 Color Plates, 5900959163, 127 Pages,

Received quickly and condition was as described. So glad I could get this online as I made the mistake of purchasing two of the Peterhoff books instead of one of the Peterhoff and this one. Pictures bring back memories of the trip and the easy to read information helps me to understand more about what I saw. This book does what I wanted it to do.

This copy is for my grandson, so I can keep mine, which I got while visiting the city years ago.
